2018 CANDIDATES' STATEMENTS

Tahsin Imm (INCUMBENT)

I would like to continue to serve on the board of directors for Credit Union of Ohio because I have been a good-standing member for many years and I believe my experience as a Credit Union Auditor for nearly 12 years brings a beneficial set of skills to have on the board.

I have a finance degree from Bowling Green State University (2005) and have been employed for nearly 12 years as an auditor conducting credit union examinations throughout the country. I have worked my way up at my current company from a Staff Auditor, Senior Auditor, Senior Financial Analyst, and my current position as an Audit Team Supervisor.

My company provides primary and excess insurance coverage to state and federally chartered credit unions across the country. I believe I can bring a unique and comparative perspective to what I have seen not only within Ohio, but trends throughout the country. I review credit union financials, ALM reports, allowance calculations, loan files, etc. as a living and even carry a Certified Fraud Examiner ("CFE") designation/title.

I would appreciate the opportunity to continue to serve the credit union and the membership by serving as a volunteer director.

Debra Lawver (INCUMBENT)

I have served on the Credit Union of Ohio Board since 2003 and a credit union member for over 26 years. Currently I serve as Vice Chair of the Board. In addition to my responsibilities as a board member, I serve the consumers of Ohio through my role at the Office of the Ohio Attorney General. At the Attorney General's office I assist consumers who have been the victim of fraud or who have been taken advantage of by a company. This experience has prepared me to be an advocate for all credit union members, ensuring the Credit Union of Ohio provides the best services available in the financial industry.

There have been many exciting changes over the years which have allowed our credit union to become a full service banking institution. I am seeking re-election with the intent to promote more customer friendly programs and continued growth of the Credit Union of Ohio.
